	WELCOME TO CALLAGHAN COUNTRY! Feel free to drive right up in front of our office to unload your luggage before parking.

Whistler is in the heart of the Coast Mountain Range, and we are famous for our winter storms and abundant snowfalls. While this powder is what makes the skiing here so incredible, it can create difficult driving conditions. **Please be sure that the vehicle you are traveling in is equipped with good winter (snow) tires, and be sure to carry chains.**

If you are running late to meet us, please call one of us at one of the following numbers to let us know:
