Equipment rentals available

Cross Country Ski equipment: \$30 + tax per day (skis / boots / poles)

- We have several sets of Fischer Summit SL Crown and Fischer Fibre SL Crown classic track skis available for rent at the lodge, along with Salomon Active 9 boots, and poles.
- We have several sets of Fischer backcountry Europa 99 light touring skis and Salomon backcountry 6 boots available for rent at the lodge.
- Should we not have the appropriate equipment, we will coordinate all additional rental equipment through the **Cross Country Connection**, located at the trailhead to the Lost Lake XC Ski Area in Whistler. For information on the Cross Country Connection or the Lost Lake XC Ski Area, visit www.crosscountryconnection.bc.ca or call 604.905.0071.

Backcountry Safety equipment: \$20 + tax per day (avalanche beacon / probe / shovel)

- Our backcountry safety packs include an avalanche transceiver, and Life-link probes and shovels. All of the equipment is provided in a Life-link daypack.

Telemark and / or alpine ski touring equipment: \$60 + tax for the first day, \$50 + tax for each additional day (includes powder skis and touring bindings, touring boots, climbing skins, and 2-stage poles)

Splitboard snowboard & skins: \$60 + tax for the first day, \$50 + tax for each additional day (includes Prior splitboard, climbing skins and 3-stage poles; does not include bindings or snowboard boots)

- We coordinate all telemark, alpine ski and snowboard equipment rentals through **the Escape Route** in Whistler. They have a variety of alpine touring, telemark skis, and Prior splitboard snowboards available, as well as climbing skins and 2 and 3-stage poles. The Escape Route is located in Whistler's Marketplace, across from the I.G.A. For information on the Escape Route, visit www.escaperoute.net, or call 604.938.3228.

* Please note that all equipment rental rates are subject to change.
